***MARINELLO SCHOOLS OF BEAUTY ANNOUNCES  
GRAND RE-OPENING OF SEASIDE CAMPUS***

WHITTIER, CA - Marinello Schools of Beauty, the leading chain of beauty schools on the West Coast, recently announced that its Seaside campus will be having its grand re-opening on Friday, May 21st. Located in Northern California, just minutes from beautiful Monterey Bay, Marinello's Seaside campus offers programs in Cosmetology, Esthetics (skin care), and Manicuring. The community of Seaside is invited to join in the fun festivities and enjoy one of many exceptional service specials. The ribbon-cutting ceremony will begin at 11:00am followed by an afternoon of activities including raffles, campus tours, service specials, and more.

The 9,000 square foot facility will feature 30 hair stations and a private skin care treatment room. The campus moved locations in response to the campus' growing student population. Since Marinello's arrival in Seaside, Marinello Schools of Beauty has become a staple of the community for Beauty Education and guest services.

"We credit our school's success to the amazing instructors who bring their experience and passion for Beauty into the classroom everyday," commented School Director, Denise Cook. "We also have some of the most dedicated students. They commute from Santa Cruz, Salinas, Monterey and surrounding areas to attend Marinello," she continued.

The grand re-opening hopes to attract all those interested in pursuing a career in the Beauty Industry. Campus tours will be held to showcase the school in action and admissions advisors will be available to answer questions about enrolling in Marinello's programs.

The public is invited to enjoy grand re-opening specials on Marinello's Signature Guest Services including \$5 hair cut and style and \$8 express facials performed by student stylists supervised by licensed instructors.

"We are thrilled about the Seaside campus grand re-opening," commented Dr. Nagui Elyas, President and COO of Marinello Schools of Beauty. "The growing campus speaks to the Seaside community's trust in a Marinello Beauty Education. We hope students and the community enjoy the new facility," he said.
